People must understand the spirit of patriotism, says Prime Minister.
TA’ARUF WEEK

International Islamic University Malaysia (IIUM) Rector Prof. Dato’ Sri Syed Arabi Idid welcomed 1,457 new students at the Cultural Activity Centre (CAC) on 9th July 2009 during a Bai‘ah ceremony.

In his congratulatory speech, the Rector reminded students of the importance for a university to produce quality and responsible students. “It is a privilege because you have been admitted to study at a university which provides quality education. This privilege comes with the responsibility to yourself, family, religion and the nation.”

The Bai‘ah or oath taking is a ceremony for students who have just joined the university. In the ceremony, they would recite a pledge stating they would obey all university rules and regulations.
