Interlibrary Loan (ILL) and Document Delivery Service

Publication & Promotion Committee
As of 3rd July 2013
zaj
The library can obtain materials which are not in our collection from other libraries, inside and outside the country. We offer ILL and Document Delivery services to facilitate library users as well as member libraries. Some materials especially articles which are not available locally maybe obtained from overseas. The service maybe charged for where necessary.
All faculty members and students who have registered as a member of IIUM Library may request for books and photocopies of materials from other libraries on interlibrary loan. However, this service is not extended to External Members.
Guidelines For ILL Service

Material requested is to be used for teaching, research and academic purposes.

The material requested is not available in IIUM Library OR the status of material in IIUM Library Catalogue (OPAC) is either ‘On Loan, Missing, Lost, OR Damaged’.

The materials such are Red spot books, reference books, theses & dissertations, entire volumes of journals, rare books, microfilm, CD, Audio visuals are not borrowable.
Should any amount be incurred, the amount will be borne by the requestor.

The Library reserves the right to recall items on ILL before its due date. A fine of RM0.20 per day will be levied for overdue books or after it has been recalled. Renewal is permissible subject to approval from the lending library.

Each customer can borrow only 2 (two) books at a time through ILL.
The requestor is advised to identify the Library which has the material that he/she is requesting as well as to provide the specific ‘call number’ (if available).

The requestor also advised to provide correct information on the article or book requested as to ensure the existence of the material needed.

The requestor is required to fill each title requested in each different form.
