Digital Library Services

Digital library is an online service providing access to digital version of selected IIUM Library rich collections. Our digital collection which consists of academic journals, unpublished theses, past year examination papers, videos and manuscript covers multidisciplinary subjects range from Islam, law, social science and technology. Registered member is privileged to access outside campus area irrespective of location, time or distance. While within any IIUM Library premises, member can access some of the collections in full text.
All faculty members and students who have registered as a member of IIUM Library may request for books and photocopies of materials from other libraries on interlibrary loan. However, this service is not extended to External Members.
Then click
Renew My Materials
Mark the box next to the title(s) you want to renew, then click Renew Selected Items.
Renewal successful.
Notification like "1 item was renewed" with a new due date will be displayed.

1 item was renewed
Panda, B. D.
Library administration and management
